TARGET AUDIENCE
Pediatricians, Dermatologists, Family Practitioners, Advanced Practice Nurses, Physician Assistants, Residents, and Nurses

COURSE GOALS
• Provide a comprehensive overview of common and important pediatric dermatologic conditions seen from infancy through adolescence
• Discuss important diagnostic features of various skin disorders through illustrative didactic sessions, clinical photographs, interactive case based discussions, and an interactive question and answer session
• Provide basic information on commonly used topical and systemic therapies for a variety of pediatric dermatologic diagnoses.

ACCREDITATION
Children’s Mercy Hospitals and Clinics is accredited by the Missouri State Medical Association to provide continuing medical education for physicians.

Children’s Mercy Hospitals and Clinics designates this educational activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This educational activity has been awarded _6.5_ contact hours.

Children’s Mercy Hospitals and Clinics is an approved provider of continuing nursing education by the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

PARKING
Parking is provided by Children’s Mercy Hospital. Please enter the parking garage through the main entrance at 2401 Gillham Road, Kansas City, Missouri 64108.

AMERICANS WITH DISABILITIES ACT
If you have needs addressed by the Americans with Disabilities Act, requests of assistance or accommodation should be received at least five working days prior to this educational offering.
