For Immediate Release

Children's Mercy South closes Urgent Care Center on Tuesday, February 1, 2011
Inclement weather closes both Children's Mercy South and Northland Urgent Care Centers

Kansas City, Mo, - February 1, 2011 – Due to the inclement weather conditions in the Kansas City metropolitan area, the Children's Mercy South Urgent Care Center along with the Children's Mercy Northland Urgent Care Center have both been closed today. As the weather and travel conditions deteriorate, the safety of our patients and staff continues to be our primary concern, and has led to the decision to close Children's Mercy South Urgent Care, today at 3:30 p.m. Pediatric emergency medical care is always available at our main hospital located at 2401 Gillham Road, Kansas City, Missouri.

About Children's Mercy Hospitals and Clinics

Children's Mercy Hospitals and Clinics, located in Kansas City, Mo., is one of the nation's top pediatric medical centers. The 314-bed hospital provides care for children from birth through the age of 18, and has been recognized by the American Nurses Credentialing Center with Magnet designation for excellence in nursing services, and ranked by *U.S. News & World Report* as one of "America's Best Children's Hospitals." Its faculty of 600 pediatricians and researchers across more than [40 subspecialties](#) are actively involved in clinical care, pediatric research, and educating the next generation of pediatric subspecialists. For more information about Children's Mercy and its research, visit childrensmercy.org. For breaking news and videos, follow us on [Twitter](#), [YouTube](#), and [Facebook](#).
