

REFERRAL TIPS

For Transport, Inpatient Admission, or For a Pediatric Subspecialist Consult

1-800-GOMERCY (1-800-466-3729)

Call this number 24 hours a day to mobilize the in-house neonatal or pediatric transport teams or to consult with a pediatric subspecialist.

You may also call this number to admit a patient directly to Children's Mercy Hospital or Children's Mercy South. The accepting physician will determine the best location for your patient based on their symptoms.

Children's Mercy Hospital

Medical and Surgical Admissions (24 hours a day):

1-800-GOMERCY (1-800-466-3729)

- Communication specialists will conference the caller with accepting physician, obtain specific patient information and determine mode of transportation to hospital.
- Primary care physicians may request that patient be admitted directly to Children's Mercy South.

To speak with a pediatric subspecialist:

- Call 1-800-GOMERCY (1-800-466-3729), identify yourself, and ask to speak with a pediatric subspecialist and indicate their specialty.
- Also, please indicate the urgency of the call. If your call is urgent, a CMH physician will be connected to you or return your call within 15 minutes. If your call is not urgent, a CMH physician will return your call within three hours or within an extended timeframe of your choice.

Children's Mercy South
