7. EDUCATIONAL ACTIVITIES

Curriculum/Course Development

- Quality Improvement projects
 1. Implementation of a Patient Statement Goal questionnaire in Diabetic Clinic
 2. Comparison of heights measured using manual vs. electronic stadiometers

Clinical Research Training Program

• Introduction to Clinical Research course	Mayo Graduate School	07/2007
• Introduction to Clinical Epidemiology course	Mayo Graduate School	01/2008
• Statistics in Clinical Research course	Mayo Graduate School	01/2008
• Practical Aspects of Research with Pediatric Subjects	Mayo Graduate School	01/2008
• Responsible Conduct of Research	Mayo Graduate School	07/2008
• Epidemiology II	Mayo Graduate School	08/2008
• Population-Based Research Using the REP	Mayo Graduate School	08/2008
• Cardiovascular Seminar	Mayo Graduate School	09/2008
• Regulatory Issues in Clinical Research	Mayo Graduate School	01/2009

Teaching Activities

Teaching to Pediatric residents	2004 - present
Lectures to 3 rd year medical students from Mayo Medical School rotating through pediatrics	2006 – 2009
Teaching Pediatric Endocrinology fellows	2009-present

Awards

- 2nd Annual Endocrine Training Day travel award - Endocrine Society meeting. San Francisco, CA, June 2008

8. PRESENTATIONS AT REGIONAL NATIONAL AND INTERNATIONAL MEETINGS

Posters

Different presentations of Congenital Adrenal Hyperplasia

Presented at the American Association of Clinical Endocrinologist (AACE) meeting. Seattle, WA, April 2007

Ischemic Stroke as the Presenting Symptom of Primary Hyperparathyroidism in a 14 year old Boy: A Case Report.

Presented at the Pediatric Academic Society-Lawson Wilkins Pediatric Endocrine Society meeting. Toronto, Canada, May 2007

Rare mosaicism on a Turner Variant: A Case Report

Presented at the Endocrine Society meeting. Toronto, Canada, May 2007

Hypothyroidism Secondary to Immature Primary Congenital Thyroid Teratoma: A Case Report.

Presented at the Pediatric Academic Society-Lawson Wilkins Pediatric Endocrinology Society meeting. Honolulu, Hawaii, May 2008

Gonadotropin-independent precocious puberty due to Testotoxicosis. Presented at the American Association of Clinical Endocrinologist (AACE) meeting. Orlando, FL, May 2008

Hyperandrogenemia as the Initial Presentation in a Girl with End Stage Liver Disease. Presented at the Endocrine Society Meeting. San Francisco, CA, June 2008.

Activity-promoting video gaming: opportunity for increasing family energy expenditure and movement. Presented at the Obesity Society meeting. Phoenix, AZ, October 2008

Pedometer Accuracy in Children: Can we recommend them for our obese population? Presented at the Obesity Society meeting. Phoenix, AZ, October 2008

Oral Presentations

Case Discussion in Pediatrics. Clinical Reviews, Mayo Clinic, Nov 2008

9. RESEARCH INTERESTS

Pediatric Obesity and Physical Activity
Non- exercise activity thermogenesis (NEAT)
Energy expenditure in children
Obesity Interventional studies

10. BIBLIOGRAPHY

Peer-reviewed Articles

1. Lanningham-Foster L, McCrady S, Foster R, Manohar C, Jensen T, Mitre N, Hill J, Levine JA. Changing the School Environment to Increase Physical Activity in Children. Obesity. 2008 Aug; 16(8):1849-53
