

## The Smarties Study: A Research Study at Children's Mercy Kansas City

### Are you interested in participating in a fun research opportunity?

We are looking for 5- to 7-month-old babies with their parents or caregivers to complete some research activities like:

- Questionnaires about what you and your baby eat and your lifestyle
- Developmental screening
- Playing with your baby

Participants can earn up to \$220.

To learn more about the program and see if you are eligible complete the survey at [cmkc.link/smarties-study](https://cmkc.link/smarties-study) or scan the QR code below:
