

# Screen Time and Media Use in the Early Care and Education Settings

Presenter: Rhonda Erpelding, American Heart Association

## FREE Community Training!

Join us for a **FREE** professional development opportunity for early childhood programs and preschools! The training will include:

- Learning the different types of screen time and their risks/benefits for children.
- Learning best practices related to media use and screen time opportunities for children.
- Identifying screen time policies to adopt at your center.
- 2 FREE clock hours of training, snacks and an opportunity to win door prizes!
- Networking opportunities with other ECE programs in Wyandotte County.
