

**Lori Wuellner, Family and Consumer Science Agent.**

Program and educational emphasis includes safe food handling (ex. **ServSafe**), Master Food Volunteer Program, healthy lifestyles (ex. **Walk Kansas**, healthy eating habits, etc.)

**Master Food Volunteer Program**

provides training in the areas of food and nutrition. After completing the 40 hour course, volunteers donate hours of educational service back to their communities.

[lwuellne@ksu.edu](mailto:lwuellne@ksu.edu)

**Lynn Loughary, Horticulture Agent.**

We provide non-biased, research-based information about adaptable plant materials, best management and cultural practices in order to make you a successful gardener while reducing unnecessary use of fertilizers and pesticides.

Our trained **Extension Master Gardener volunteers** are

involved in youth programs, demonstration gardens, speaking engagements and the horticulture hotline.

The Wyandotte County demonstration gardens display current horticulture practices related to flowers, vegetable gardening and composting.

[lloughar@ksu.edu](mailto:lloughar@ksu.edu)

**Jo Ann McLeland, Office Professional/Reception**

Office responsibilities, assists the Family and Consumer Science Agents and works as the office receptionist.

## *Mission:*

***"We are dedicated to a safe, sustainable, competitive food and fiber system and to strong, healthy communities, families and youth through integrated research, analysis, and education."***

Our office provides a balanced mix of programs in the area of Horticulture, Family and Consumer Sciences, 4-H Youth Development and Community and Economic Development.

Wyandotte County Extension stresses the importance of enriching the lives of our citizens by providing free or low cost opportunities to engage in lifelong learning. Our staff members are trained to provide educational programs to all members of the community.

***"Knowledge  
for Life"***

## *Meet our staff:*

**Bruce Chladny, Director and  
Community & Economic  
Development**

A community's sustainability depends on its long-term ability to meet residents' needs. We provide technical assistance and evidence-based programs to citizens who want to make sure their communities survive and prosper. [bchladny@ksu.edu](mailto:bchladny@ksu.edu)

### **Nicole L. Crosson, 4-H Youth Development Agent.**

Nicole works with established clubs and expanding 4-H programs. Club members work on a number of projects. They improve their life skills through a variety of 4-H activities. The expanded 4-H program includes KIDZONE, an after school program with USD 500. [ncrosson@ksu.edu](mailto:ncrosson@ksu.edu)

### **Debra Sweeten, 4-H Youth Development Program Assistant**

Debra assists in providing leadership in fulfilling the Kansas 4-H Mission. [dsweeten@ksu.edu](mailto:dsweeten@ksu.edu)

### **Chiquita Miller, Family and Consumer Science Agent.**

Teaches **"Basic Living Skills"**:

- Basic Household Cleaning
- Clutter Control
- Family Communications
- Job-Ready-Skills
- Money Management
- Parenting
- Stress Management

[chmiller@ksu.edu](mailto:chmiller@ksu.edu)

**Nozella Brown, Ed.D., Family and  
Consumer Science Agent**  
Coordinates the **Family Nutrition  
Program (FNP)**, the **Kansas  
Supplemental Nutrition  
Education Program (SNAP-Ed)** and the **Expanded Family & Nutrition  
Education Program (EFNEP)**, providing nutrition, wellness and fitness education for underserved, low-resource diverse audiences. [nlbrown2@ksu.edu](mailto:nlbrown2@ksu.edu)
