Virtual Toy Drive

Holidays are full of fun festivities and often a busy schedule. One of the easiest and best ways for you to help kids at Children's Mercy is through our virtual toy drive.

You simply create a fundraising page online and rally your friends and family to help by emailing them a link to your page or posting on social media. Donating through our virtual toy drive allows our expert team to get exactly what they need, when they need it, for kids at Children's Mercy.

Your generosity ensures that every child spending the holiday season in the hospital will receive a gift, and their family members will receive the support they need during their time at Children's Mercy. Start your toy drive today at childrensmercy.org/toydrive.
