Accreditation

Nursing:
Each educational activity has been awarded 2 contact hours.

Children’s Mercy Hospitals and Clinics is an approved provider of continuing nursing education by the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Respiratory Therapy:
Respiratory continuing education will be awarded to offerings if applicable.

Emergency Medical Technicians in Missouri:
Issued by the Missouri Department of Health and Senior Services Bureau of Emergency Medical Services. Certification: BLS/ALS. Level of training: BLS/ALS. This program is approved by the Missouri Bureau of Emergency Medical Services hours of CE. 09521C.

Emergency Medical Technicians in Kansas:
Issued by Children’s Mercy Hospitals & Clinics. Certification: BLS/ALS. Level of training: BLS/ALS. This program is approved by the Kansas Board of emergency medical services for hours of CE. PP# 3114.

Physician Education:
Children’s Mercy Hospitals and Clinics is accredited by the Missouri State Medical Association to provide continuing medical education for physicians.
Children’s Mercy Hospitals and Clinics designates this live educational activity for a maximum of 2 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
There is a $20 fee for outside physicians.
The Pediatric Perspectives in Trauma Lecture Series has been developed to address the unique challenges the pediatric trauma patient presents. These educational offerings are appropriate for nurses, EMS providers, Respiratory Therapists & Physicians interested in enhancing their knowledge in the care of the pediatric trauma patient.

**Objectives**

Participants will be able to:

- Identify management priorities for the pediatric trauma patient
- Discuss the current treatments for the pediatric trauma population
- Identify the most common etiology of pediatric injuries
