

10TH ANNUAL REGIONAL NEONATAL CONFERENCE:

DECISION MAKING FOR OPTIMAL CARE AND OUTCOMES

Thursday, April 18 | Hybrid Conference

In Person at Children's Mercy Kansas City Research Institute Auditorium, 2401 Gillham Rd., Kansas City, MO 64108

TARGET AUDIENCE

This full-day conference is intended for those clinicians who participate in the care of neonates.

COURSE OBJECTIVES

- Recognize key clinical factors for decision making for optimal care and outcomes.
- Identify a rare complex medical condition needing unique care, stabilization and transfer.
- Identify protocols and equipment needed to care for the extremely preterm infant.
- Recognize barriers that mothers of color may experience when approaching breastfeeding.
- Discuss respiratory management for premature infants, airway patients and severe bronchopulmonary dysplasia.
- Identify when Neurally Adjusted Ventilatory Assist (NAVA) could be a beneficial ventilatory mode.
- Discuss when and how to stop resuscitation of a neonate.
- List communication strategies with the family and the team after a failed resuscitation.
- Identify ways to minimize trauma responses and recognize parents' emotions and responses to provide the best care.
- Discuss the impact of the experience of trauma on parent's engagement with health care providers and the healthcare system.
- List three evidence-based resources that can guide clinicians when discussing safe medication use with breastfeeding mothers.

- Discuss optimizing staff support through the use of peer support teams.
- Identify the impact assignment-based orientation has on staff perception of preceptor burnout.

CONTINUING EDUCATION CREDIT

Nursing: This educational activity has been awarded up to 6.0 contact hours.

Children's Mercy Kansas City is approved as a provider of nursing continuing professional development by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

For successful completion, nurses must sign in, participate in the interactive sessions of the program, and complete the electronic evaluation form after the conference.

Respiratory Therapists: The Children's Mercy CEU Evaluator has approved this program for up to 7.2 hours of Respiratory Continuing Education on behalf of the Kansas Respiratory Care Society, a chapter of the AARC. Providership #KRCS003.

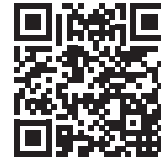

IMPORTANT – A few days after the conference, all attendees will receive an evaluation at the e-mail address provided at sign-in. This will include a conference evaluation and your certificate. **Failure to complete the evaluation will result in loss of CE Credits as we will no longer be able to issue a certificate if the evaluation is not completed in full.**

PROGRAM AGENDA

- 7:30 a.m. Sign-in / BREAKFAST / Exhibitors
- 8:00 a.m. Welcome
- 8:10 a.m. **Mystery Case Study**
Julie Weiner
- 8:50 a.m. **Nursing Care of the Extremely Low Birth Weight Baby**
Jenny Melloy
Kristi Haughey
- 9:30 a.m. BREAK
- 9:40 a.m. Exhibitors / Posters
- 10:10 a.m. **Free, Not Reduced Milk: Advocating for Breastfeeding for Mothers of Color**
Dominique Lewis
