Telemedicine

Children’s Mercy has more than 500 pediatric specialists providing telemedicine services, including facilitated appointments at our regional centers (St. Joseph, Joplin, Wichita, Junction City), as well as direct to patient services. Due to advancements in technology, a Children's Mercy provider can be virtually anywhere delivering the same high-quality care that is the Children’s Mercy standard. There are times when patients and doctors still need in-person visits. Children’s Mercy providers will guide your referred patients on when a telemedicine visit is appropriate.

To Refer for Appointments:

• Go to childrensmercy.org/providers and select Refer a Patient.
  » Select a specialty.
  » Follow the instructions to request an appointment.
• The Children’s Mercy Contact Center will call the patient within 48 hours to schedule.
• For assistance with scheduling, call the Contact Center at (816) 234-3700 or (800) 800-7300.

Referral Tips:

• Families can call (816) 234-3700 or (800) 800-7300 to follow up on appointment scheduling after three days of the initial request.
• For assistance coordinating several clinic appointments on the same day, call (816) 234-3700 or (800) 800-7300 and ask for the Provider Resource Nurse.
• Your patient’s appointment status can be found on the Referral Status Report. To request access to this report, contact Michelle Dominiak, mmdominiak@cmh.edu.
