

## Supplies

- Provided containers must be used – do not use household materials
- Cup with screw cap
- Wipes

## Collection

1. Wash your hands
2. Open the cup
  - Do not touch the inside
3. Clean skin where the urine comes out
  - Use all 3 wipes
4. Begin to urinate into the toilet
  - Stand or sit as you normally would
5. Move the cup to catch some urine
  - You do not have to fill the cup
  - Urine may get on the outside of the cup
6. Finish urinating into the toilet
7. Put the lip on the cup
  - Do not touch the inside
8. Wash your hands

## Important

- The container must have your child's name and date of birth (hand write if label is not provided)
- Refrigerate after collection
- Return to Children's Mercy within 24 hours of collection
  - Specimens received more than 24 hours after collection may have to be recollected
